- **NO POST ENTRIES**
- **NO ADDITIONAL OR ALTERNATE ENTRIES THE DAY OF THE MEET**

FACILITY

The Ocean County YMCA pool is a beautiful and spacious twelve-lane pool with non-turbulence lane markers. Paragon starting blocks and Colorado electronic timing.

****NOTE: Ocean County YMCA regulations strictly prohibit shaving anywhere on the premises. In addition, no food or glass containers are permitted in the pool area.**

Each school is responsible for the following:

1. Providing a coach or a certified school representative on the deck of the pool during the competition. (**NOT** a parent of a swimmer)
2. Having a coach or school representative present at the scratch meeting 45 minutes prior to the start of the meet. This meeting will be held in the All-purpose room off of the pool deck.

Failure to comply with the above will result in the disqualification of your swimmer(s) for that day of competition.

RULES

The 2025 – 2026 National Federation Edition, Swimming and Diving Rules and Case Book will be used.

- All Federation Rules will apply.
- Schools are allowed four entries per individual event and one team per relay event.
- A contestant is permitted to compete in four events, two of which must be relays.
- For **RELAYS**, give four names for each event. You may change them at the scratch meeting with any of the names from the original roster.

NEW

A varsity team accumulating a total of (3) or more disqualifications, inclusive of player and/or coach, for flagrant or unsportsmanlike conduct prior to the start of a Conference tournament shall not be eligible to participate in the tournament. Seeded teams will forfeit their right to compete if a disqualification limit is reached prior to the start of the tournament. Once the Conference tournament begins, a team's total disqualifications shall reset to zero (0) and in the event any team accumulates a total of (3) or more disqualifications, inclusive of player and/or coach, for flagrant or unsportsmanlike conduct during the tournament the Executive Committee reserves the right to review the disqualifications and determine if that team may continue to participate in the tournament or be removed from the tournament. The disqualification rule for tournament eligibility and the Executive Committee's continued tournament eligibility decisions are non-appealable and not subject to the filing of a protest.

MISC.

1. There will be two lanes available for warm-up and warm-down during the meet. (**NO** diving from the blocks or deck, feet first only)
2. All schools that compete in the shore conference dual meet season are asked to provide two (2) timers with watches to be used as back-ups to the Colorado timing device. We cannot start the meet without back-up timers at each lane.
3. In an attempt to alleviate the overcrowded conditions on deck during our championship meet, the following actions will be taken:

Only team personnel will be allowed on the deck.

- a. Competitors in suits
 - b. A maximum of two (2) coaches who will be issued passes.
 - c. Official timers who will also receive passes – 16 will be used for backup to our electronic system.
4. Athletes are not to sit in the stands with parents. There is plenty of room on the pool deck for all the athletes.
 5. In order to make sure every swimmer is at the proper place for their race, we will have a clockwise flow to the deck. The staging area will be in the scoreboard corner of the deck. Swimmers will not be allowed to go from the locker room side to behind the blocks, so make sure your swimmers are aware of this.
 6. There will be observers from USA Swimming at the meet. In order for a swimmer to have their time entered into the USA database, the following information must be included when you enter your athletes. This information should be inputted before you send the HY-Tek file.

FIRST NAME
MIDDLE INITIAL
LAST NAME
BIRTHDATE
USA ID.

Thanks for your cooperation.

Brian Cerbone
Meet Director
